## SoyFast™ Concentrate

## Bio-Based All Purpose Degreaser Concentrate

Low VOC • Low Odor • Non-Flammable

### General Description

SoyFast® All Purpose Cleaner Degreaser is a low VOC concentrated bio-based chemistry formulated as a ready-to-use or dilutable with water. SoyFast® is a clear, soy-based, non-toxic, biodegradable formula with incredible grease cutting power, yet contains no butyls, abrasives or strong alkalines. It is non-flammable with no strong fumes or vapors.

SoyFast® is ideal for industrial, automotive, marine and commercial cleaning operations. A perfect replacement for D'Limonene (orange), caustic, and other high VOC cleaners for a safe and economical solution. It effectively removes carbon, oil, lipstick, dirt and grime from most washable surfaces. It is completely safe on aluminum, finished and unfinished wood, painted surfaces, vinyl flooring, carpets, upholstery, grill hoods, automotive and fleet finishes including wheels.

Used by facilities maintenance, building maintenance, and professional power wash operators for a fast, environmentally responsible alternative. SoyFast® may be diluted up to 1:30 with water. Available in 1 Gallon, 5 gallon pails or 55 drums.

### Technical Data

SoyGreen® bio-based products have been recognized as meeting the stringent U.S. EPA Design for the Environment program. These products also meet various Green Building and Federal Executive Orders:

#### Executive Orders:

13352 Facilitation of Cooperative Conservation  
13101 Greening the Government, Waste Prevention  
13134 Developing & Promoting Bio Based Products  
13148 Greening the Government, Enviro. Mgmt.

#### Green Building LEED:

Rapidly Renewable Materials  
Low-Emitting Materials  
Optimize Use of Alternative Materials  
Indoor Air Quality Performance

### Application Data

Heavy Duty: Full Strength up to 1:10  
Light Cleaning: Dilute up to 1:30  
Apply SoyFast® with a sprayer, mop or brush and allow to dwell for 1 to 2 minutes. Heavy grease and grime may require additional scrubbing. Rinse or wipe clean. When cleaning fabrics or upholstery, avoid over application, rinse and blot dry. For cleaning heavy traffic areas or grease on carpets, rinse and extract carpet after application. Repeat if necessary. Avoid freezing conditions.

### Safety Data

Type: Bio-Based Cleaner  
Appearance: Light Yellow Liquid  
Scent: Mild Citrus  
pH @ 1%: 9.0-9.5  
Flash Point: >300°F  
Boiling Point: >212° F  
Specific Gravity: 1.0 gm/ml  
VOC Percentage: <0.5%
